Payment Options

Lenovo offers a variety of payment options for purchases made on [Lenovo.com](#), including:

- VISA, Mastercard, American Express and Discover credit cards
- American Express international credit cards (must ship to US address)
- Amazon Pay
- PayPal
- *Business leasing at checkout (for orders over \$5,000)*

Software Products acquired separately from a hardware Product may not be returned unless media-based software is unopened and still in its sealed package or, if delivered electronically, software that you have not accepted the terms of the software license. Customer may return the software Product in such an event within 30 calendar days of the date of invoice and receive a refund or credit in the amount of the price paid. For return of electronically delivered software Products, Customer shall provide a letter of destruction to Lenovo, in a form provided by Lenovo, confirming the software Product has been uninstalled and destroyed.

*The California Electronic Waste Recycling Act requires that Lenovo and other retailers charge a recycle fee on certain "covered electronic devices" sold in California, including video display products such as computer monitors, notebook computers, and digital picture frames. These fees are determined by the State of California and vary by product screen size. For additional information please see [Lenovo's environmental webpages](#).

**An estimated ship date will be posted on our order status site after your order is placed. The date reflected above does not determine when your order will ship since inventory status may change before your order is final and because items may be held until all products on the order are ready to ship. To obtain the latest information about the availability of a specific part number, please call the phone number listed in the masthead at the top of this page. A flat charge for shipping & handling may apply for certain orders, as indicated on the Checkout page.
